1. Local guerrillas are generally in control in Menado. Theoretically these guerrillas are under Warong, but practically he has little or no authority over them.
2. While the populace is terrified of the guerrillas, actually they do little more than commandeer cars. However, they have imprisoned some people including judges and police officials. Warong either cannot or will not secure their release.

25X1A

Comment. [redacted] reported early in September 25X1X that Col. Pavilarang planned to get rid of his left-wing subordinate commanders Worang and Warouw, the chief troublemakers in the Celebes.
